

HELLO BIOPHARM!

Welcome to June! We hope your first month of co-op has been exciting and a great learning experience into the world of working in academia, industry, clinical, or government settings. :) We want to welcome the incoming third years and future class of 2025; we're so excited to have you join the BioPharm-ily! 🎉 Check out every month's email newsletter for valuable information about the program, co-op job search tips and tricks, and upcoming society events. 5th Year Co-President

Jaimini Patel

- I run a Tumblr blog under a pseudonym where I fangirl about random stuff I'm obsessed with.
- My favourite Christmas movie (I watch it every year) is Home Alone.

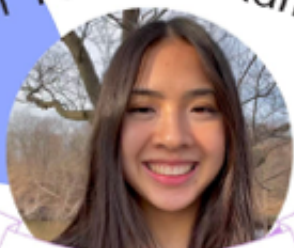

4th Year Co-President

Spring Wang

- Chicago Fire is my favourite TV show and I think it outdoes all the OneChicago series.
- I apologize for the person I become when I play low level intramural sports.

5th Year VP Admin

Leslie Tan

- I run everyday, to the point where I worry for the health and longevity of my knees.
- I love hiking, ask me for Hamilton hiking and waterfall hiking routes :))))))

4th Year VP Admin

Mathusha Jegatheeswaran

- I believe the top three Disney movies should be Tangled, Frozen and Aladdin. There is no room for debate.

5th Year VP Finance

Abi Sudharshan

- I absolutely love musicals! - my all-time favourite is The Phantom of the Opera.
- Madras filter coffee is hands down the best caffeinated beverage. This is a fact.

4th Year VP Finance

Keaton Smith

- I almost chose a career in music instead of science.
- I love to play basketball (but I'm not very good).

 5th Year VP Marketing 

Farah El-Zoeiby

- Top show of all time is Prison Break, mainly due to T-Bag's presence in my opinion.
- Tomato with salt is the ultimate snack - 10/10 would recommend.

 4th Year VP Marketing
