

HELLO BIOPHARM!

We hope exam season went well and congrats to everyone on finishing another semester! Welcome to your first or final co-op work term :) We know that starting a new job is a stressful time, but we have full confidence that all of you will be successful in your term and will come out with positive experiences.

This year, the BioPharm executive society is launching an email newsletter where we hope to send you valuable information about the program, co-op job search tips and tricks, and keep everyone updated with upcoming events the society is organizing. Keep an eye out for our monthly emails!

~~THIRD YEARS~~ **FOURTH YEARS**

Congratulations on finishing your 3B06 Discovery Project presentations and your first year of BioPharm! 🎉 One year down, two to go. Check out this section of every newsletter for administrative tasks that you need to do for the month.

 **Co-op Course Enrolment**

Enrol in SCIENCE 3WW0 for the spring/summer term.

 **OSCAR+ Work Term Record**

Upload your letter of job offer and update other necessary details.

Sweater Orders

E-transfers were sent out between April 25-28 for partial refunds from sweater orders; the password is "biopharm".

OSCAR+ Learning Objectives

Complete and upload your learning objectives document.

Spring/Summer OSAP Applications

As a full-time student over the summer, you *may* still qualify for OSAP funding to help offset the cost of co-op tuition, rent, etc. If you've applied and qualified for OSAP in the fall/winter semester, fill out this [form](#) and upload it to this [MacDrive link](#) with the document named "LAST NAME_first name_(McMaster student#)". You can access the [McMaster Aids and Awards](#) website for more information. It will take 4-6 weeks to receive an update, so make sure to apply early!

MESSAGES

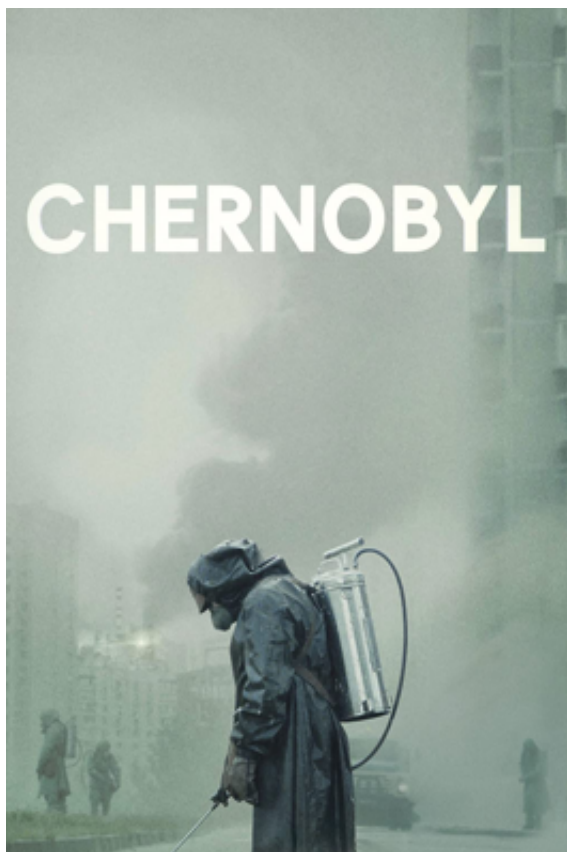

Hello BioPharm! We hope your summer is off to a great start! This summer is definitely a time for celebration, as this will either mark your first co-op work term or your last. Both are momentous accomplishments in your co-op career. We wish you the absolute best as you explore new career fields, and strengthen your skills. Site visits will be beginning within the next month, and we look forward to learning more about your term. Please use these opportunities to discuss any questions you have. In order to help us with scheduling these, please remember to update your O+ work term record to reflect yours and your supervisors contact details.

We are here to help, even if you are no longer searching for a job! If you have questions about a work situation, want to begin thinking about a future work term, or just want to chat we are available to meet throughout the summer. We are open all summer M-F, and offer appointments on O+, and are accessible through scicoop@mcmaster.ca.

Hope you have a fantastic summer!
